Soulful power rock with hooks and choruses you'll be humming hours later. 14 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: Singer/guitarist/songwriter Matt Kurzban heads up the NYC group DAMN GLAD. Along with bandmates Jeff Baker on drums, Doug Shank on bass, and newest member Mike Sanchez on guitar/backing vocals. Their sound, energy and style of soulful power rock packs a flavor that keeps you humming. INGREDIENTS: High energy, charisma and personality is their formula for putting on a show worth mention. The driving guitars, infectious grooves and memorable melodies/harmonies distinguish their sound. No gimmicks here. Just driving soulful rock with attitude and introspective lyrics that define who they are as people. The group first turned heads kicking off the Woodstock 99 festival as one of NYCs emerging artists. Although considered more mainstream/commercial rock, the group has shared the stage with such groups as Sevendust, Filter, POD, Puddle Of Mudd and many more. They've been featured on such mainstream radio stations Q104.3FM, WBAB 102.3FM and WLIR 92.7FM in New York. The group released their debut full length cd entitled "And That's That!" in late 2003 and will be performing everywhere they can to support their cd in 2004.
