Soft and ambient piano meditations. 5 MP3 Songs EASY LISTENING: Background Music, NEW AGE: Meditation Details: New CD Release!!!! Coming Through ... This is the gift I share with you from my heart. There is no written music. Over 1 hour of original piano music to soothe the soul ... great for relaxation and more. What an incredible feeling to be touching your lives. Thank you for allowing me to be a part of your life. Be good to yourself and take the time to quietly listen to this music created to soothe your soul. I am living my dream. My wish for you is to go after your dreams ... only you can make them come true. It's never too late. New Day Rising ... With each new day, we are given the chance to begin again. Coming Through ... Only when you begin to understand yourself, will others begin to understand you. As "Sol" was created on May 23, 2001, "Coming Through" was created on May 23, 2004 (the anniversary of my dad's passing). Crossroads ... a very special place where the roads cross ... giving us choices as we travel on this journey called "life." You'll know when it's right. In Time ... good things come to good people in its own time. The Journey Never Ends ... and I'm on the best journey of my life. I hope it never ends.
