Adult Contemporary with a Rhythm Blues feel. 10 MP3 Songs EASY LISTENING: Soft Rock, URBAN/R&B: R&B Pop Crossover Details: Dennis Fullerton is a guitarist with decades of professional music industry experience. He has played with several Rhythm Blues greats including the late Charles Brown, The Righteous Brothers, Bill Medley, and B. B. King to name a few. Dennis Fullerton's music reflects his love for the blues and its related idioms. His rhythm work is solid, imaginative, and smoothly syncopated. His melodic concepts, themes and musical statements all come across with a genuine feeling and character. He knows how to treat his music with taste and simplicity. Relaxed, unhurried and focused are words that describe the guitar playing style of Dennis Fullerton. His instrumental compositions have melodies and parts interacting on a rhythmic pulse that travels a scenic route. The first CD from Dennis was titled "Music For Cats" because his most dedicated audience includes his four cats. They always attend his daily, personal practice sessions in the early morning hours. And as you might already know, cats are very good listeners. Dennis Fullertons "Music For Cats" CD is available now. Youre invited to place your order today, and to experience the enjoyment for many years to come. Thanks for your interest and support!
