

## Mp3 Echocell - Separated

[DOWNLOAD HERE](#)

Echocells 2001 release shows off the darkness of Trip Hop with the edge of Industrial music. This album implements a variety of genres deserving the album name "Separated" 9 MP3 Songs in this album (39:30) ! Related styles: ELECTRONIC: Trip Hop, ELECTRONIC: Industrial People who are interested in Portishead Nine Inch Nails should consider this download. Details: "Echocell works as a catalyst fusing the organic with an electronic environment, combining darkness, light and everything in between". Founded in Orange County by Belinda Kazanci and Adam Beltran in 2000, Echocell eventually set down roots in Los Angeles in 2003. Over the years, they have attracted a dynamic group of international musicians to further enhance their sound and live performance. Today are joined by John Edwards on bass, Lorenzo Grassi on guitar, Aram Zarikian on drums and Sevag Kazanci on turntables. Eagerly anticipated by their fans, Echocell released their 2nd EP entitled Soul Hangover in 2005. The EP is co-produced and co-mixed by John Avila of Oingo Boingo. It also features their hit single, Vessel. To find out more about this progressive band, check out Echocells website at: Echocell.com
