

## Mp3 Erin Jordan - Land Of Milk And Honey

[DOWNLOAD HERE](#)

Land of Milk and Honey is an album of coffee house folk songs. These songs combine Erin's poetic lyrics and storytelling skills with her unique voice and finger picking style. 10 MP3 Songs ROCK: Folk Rock, FOLK: like Joni Details: Erin Jordan is singer and songwriter living in Seattle, Washington. Generally a writer of narrative songs, Erin's songs combine classic storytelling with poetic lyrics, and her unique musical arrangements. While her style ranges from folk to alternative country to cabaret rock, Land of Milk and Honey is an album of coffee house folk that showcases her story telling skills, unique voice, and fingerpicking guitar style. Land of Milk and Honey was recorded in Chicago in 2003. Some the songs are eerie and sparse, with just guitar and vocals, while other songs were arranged and preformed with percussion, bass and viola. Many of the songs were inspired by a road trip along highway 101. Overall these 10 songs are about travel, literally and figuratively. Highlights - Tracks 1, 3, 4, 10
