

# Mp3 Jim Leake's Greatest Hits Vol. 3 - Country: Traditional Country

[DOWNLOAD HERE](#)

Traditional country 12 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Folk Details: country music is slowly dying due to lack of interest in high places in music city. where are all the great ones today? you can only hear them on willies place, or other traditional country music stations which are growing fewer by the year. everyone has had his/her heart broken at one time or other some more than once traditional country music told their stories and helped them through the night. the boy lost his girl/wife and he asks the burning question is he better, the same, or just new---he cant sleep at night and he has to ask her to stay out of my dreams---he does pay her a back hand compliment by equating her gift of teaching him how to lie, slip around, and break others hearts to a pair of new shoes---and then to make matters worse, when he goes to visit an old memory, she shows up in the last place he expects to see her---and hes so surprised that he thinks its dejavu. see how great country music is? in a few moments of time you can live a whole lifetime
