Fun music for children and their families. New songs for different occasions, like Halloween, Hanukah, Christmas, Thanksgiving, etc. 10 MP3 Songs KIDS/FAMILY: Sing-Along/Interactive, KIDS/FAMILY: Educational Show all album songs: Seasons And Other Reasons 2 Sing Songs Details: This is my 5th Cd and very special to me since I co-wrote many of these songs with my middle school students when I was a teacher in New York City. They wrote the lyrics and I wrote the music. The children were 13-14 years old and their words were very strong, clear and truthfulfull of imagery and rhyme suitable to write music to. I asked some of them to write the lyrics as if they were writing for a younger child. They succeeded very well. Email me and let mne know what you (or your child) thinks. laurawarfield@aol.com. You can listen to my other 4 cd's here at CDbaby and also at laurawarfield.com
