## **DOWNLOAD HERE**

Lifteds mix of Hip/Hop, Funk, and Acoustic Crunk is a sound like no other. Their "FLOW ROCK" style of music is ready to be placed at the forefront of the industry. 9 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ROCK: Roots Rock Details: Lifted was formed in 1997 in Pittsburgh, PA. Like most bands Lifted strived to be ROCK STARS, but as years passed it was the love for what we do that kept us alive. Still today, with all of its original members, Lifted continues to create ground breaking music. Lifted has just released there much anticipated debut album, In House Specials, that's got Pittsburgh nodding there head in approval and quite frankly you can't help not to nod your head when listening to the album. They draw on hip hop and rock influences that when fused together creates a sound that anyone in the range of 13yrs young - 60 yrs old can appreciate and take a positive out of what they hear. Whether you like great lyrical skills or just the music alone, it's a guarantee that Lifted will fulfill those needs and their live performance is second to none. Lifted is one of those rare bands that comes along and defies tradition by refusing to be categorized. Lifted is playing and sending the message that their "Flow Rock" style of music is ready to be placed at the forefront of the music industry. So if you only see one concert this year, make it the Lifted experience. They are so much more than just a band. Lifted is curently seeking management, marketing, and as many shows as we can get. Lifted is willing to travel anywhere we have to in order to keep playing.
