An eclectic blend of diverse styles featuring inspired songwriting and musicianship -- funk, folk, jazz, rock, latin, reggae, political...you name it -- perfect for outdoor BBQ's and late night parties. 11 MP3 Songs ROCK: Jam-band, FOLK: Political Details: BBQ music for our times! genxeffect("The home of the underground music movement.") has recently listed the indie classic: "We the People," as among the "Top-Ten" Hot Singles on the East Coast, and has also listed the entire debut CD: "Lunar Stew Trio", as a "Top-Ten" Recording. Tracks from the CD have also been featured, and continue to be played, on National Public Radio. The audio quality, song-craftsmanship, and musicianship--are all exceptional on this self-produced CD. Consisting of "The Tipster" on guitar, "T. Roy" on drums, and "Uncle Brother" (U.B.) on bass -- these guys create a wide mix of originals that sometimes go south of the border (only musically speaking). Since L.S.T. and their fans are always on the look-out, they keep everyone's feet moving at all times, ever-poised for a: "HEAD FOR THE HILLS!!!!!!". So park yourself under a big tree, put on your dark shades, grab a margarita, and join us for some fun!
