Acoustic rock with a sensual edge. 8 MP3 Songs ROCK: Acoustic, EASY LISTENING: Love Songs

Details: With a "voice swampy enough to capture the smell of the Bayou, MisterB rocks on his CD, Wade in the River. Released in May 2004 this CD has been getting airplay on internet and college radio stations and his "Doo Wop Boys" song became an instant hit with the doo wop community. Two songs, "Lucky Stone" and "Doo Wop Boys" will be appearing in the independent films, "Nostalgia Love" and "Suitcase Murphy". This album is full of hits. Here's a few of the comments... "Hey, I love your 'Doo-Wop Boys'...I will play it on my radio program which also goes out live worldwide over the internet...Thanks and congrats on a really good song!" Pete Chaston "Great tune! We're playing it on our radio network." Destination Doo Wop "I listened to your song and I have to say it was absolutely fantastic... I would like a copy to play on my show..." Hanks Dusty Disks "Just received your CD of the Doo Wop Boys. I love it and I will play it on my show tonight." The Pop Shoppe "...I will most definitely give it some spins." DooWopCafe.net "Please send us your doo wop song at Echoes of the Past magazine. We'd love to review it for our oldies magazine." Echoes of the Past You'll also want to preview the upbeat Riding in the Rain and the infectious Spinning Circles. Finally, you'll definitely want to check out the love song about a rock, Lucky Stone, recently chosen to be part of the independent film, Nostalgia Love.
