Realistically conscious, socially motivated and generational bridged Hip Hop. 15 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: The prolific Mississippi-born entertainer "NEMESI" is definitely in the house. He is not new to the game and the game is not new to him. He has been involved and collaborated on many successful projects and continues steady progress within the Rap commune. It was in Europe that "NEMESI" first explored his passion for music and acting. He was living in Europe in 1993 when he recorded "Move" and "What Am I Here For" on a T.O.C. project with Annika Klar, Andreas Fischert, and Jrgen Herbarth. The same year he wrote and performed "For Your Love". He continued to tour while in Europe and appeared in several music videos. Since his time in the European theatre "NEMESI" has been able to successfully merge his two passions. While working on a project with Set 4 Life Entertainment, he starred as "David" in the independent film, "Looking Down The Barrel of A Gun". Several of the songs for the soundtrack of the movie where written and performed by "NEMESI". In addition he has performed with fellow rappers DJ Smurf and MC Shy-D. He also co-wrote and recorded songs with Lady Mystery and Leroy on the compilation "All in Due Time" (2001). More recently NEMESI, along with his rap brother AD have founded the organization Mississippi Money-makers which is a focused group of musical talents poised to make impact on the RAP seen. Their first compilation album entitled Mississippi Money-makers will be available January 2006 followed by individual albums by NEMESI and AD, February 2006. Keep your eyes and ears open for new sounds for when these albums drop their impact on the music scene will be devastating. This 1999 Cobb County NAACP business leader award recipient serves as an inspiring role model for our youth through his music and his DirectionWear clothing line (which promotes moving in a positive direction). This positive and talented individual is definitely coming-up on the come-up and is a force to be watched in the future. I would be

remiss if I failed to mention the fact "NEMESI" is a proud soldier in the United States Army. In his years of dedicated service he has obtained the rank of Sergeant First Class and continues to serve with distinction.
