singer-songwriter Rick Tryon releases his latest batch of hand-crafted, lyrically precise songs on the brand new, ten tune compilation "Home Ground Brew". Recorded at Fourth Avenue Studios, "Home Ground Brew" is a blend of acoustic guitars, hand percussion, and gritty vocal work. These ten original compositions highlight Tryons ability to deliver unique social, cultural, and emotional insights in a satisfying musical framework. So draw a cup of joe and give this coffee house collection a good listen.
