Piano Rock 5 MP3 Songs POP: Piano, ROCK: Progressive Rock Details: A jazz bassist. A film score composer. A funk drummer. A classical pianist with soaring vocals. Imagine these four coming together to create well-crafted Rock n Roll that is at once sweeping, direct and life-affirming. Imagine no more. Youve found The Spins. When David Baron (piano/vocals), Jack Conte (keyboards/guitars), Gabe Davis (bass) and Ben Grant (drums) came to Stanford University from different musical worlds, they had no idea that they would spend four years of sleepless nights in the pursuit of one tremendous goal: To create the perfect pop song- over and over again. The powerful, wide-screen sound of their self-titled EP shows that when it comes to radio singles, The Spins know whats necessary: cut out the fat, and simply deliver. From the hip-shaking lust of Tell Her Something to the bright-eyed nostalgia of Jaime, these instantly memorable pop songs are meant to move your feet and seize your heart. So close the door, blast your speakers, and sing til it hurts. Catch The Spins.
