## **Mp3 Todd Jones - Yorkville**

## **DOWNLOAD HERE**

Original Soundtrack music from the novel of the same name. Spanning moods from action, to tension and suspense, Yorkville employs orchestral sounds to create a blend of old and new Hollywood. 21 MP3 Songs ELECTRONIC: Virtual Orchestra, WORLD: Middle East Details: A murdera secreta desperate hope Tel Aviv, June 1933, a man is shot while walking on the beach with his wife. Six years later a prominent American Nazi is found dead in the predominantly German section of Manhattan known as Yorkville. Homicide detective Frank Van Pelt is called in to work the case along with a new partner, a young Jewish detective named Phillip Rosenberg. The two quickly find themselves immersed in the world of the German American Bund, a growing pro-Nazi organization that seeks to emulate the Third Reich. During a massive Bund rally another man is murdered. A man whose identity will change the entire nature of the case, and send the detectives on a journey to the heart of Nazi Germany, and the troubled land of British Palestine. There they will uncover a secret far greater than the murder of three men: an arrangement between Nazis and Jews to siphon Jewish wealth to Palestine. The secret deal, known as Haavarah, is worth tens of millions of dollars, but behind it looms an even darker secret, one that governments will kill to protect. For Frank Van Pelt, a beautiful German American woman named Kate Goddard holds the key, but she is shrouded in her own mysteries, and has her own agenda. For Phillip Rosenberg, the very future of German Jews hangs in the balance. And as the world moves closer to war and powerful forces close in around them, both men struggle to find the answers before it is too late.
