

## Mp3 Tom Cashmore - Grafted In

[DOWNLOAD HERE](#)

Strong acoustic folk rock with catchy melodies and great energy. 9 MP3 Songs FOLK: Modern Folk, FOLK: Power-folk Details: Tom Cashmore a singer songwriter has been in the music business most of his life. Having completed a degree in music from University of Toronto studying Jazz and Classical Tom has been a constant force in the Canadian music scene for more than 10 years. His main influence include Cat Stevens,looking Glass,Otis Redding and Gordon Lightfoot. Having shared the stage with the likes of Randy Bachman,Billy Cowsill and Colin Hay of Men at Work ,Tom has continued to refine his writing skills and musicianship with the realization that songwriting and the recording process are a neverending process. With Toms latest release listeners are sure to experience a musical journey that will take them through the Canadian landscape and even Japan where Tom spent almost three years. A favourite track of Toms and many fans is the song Juno Beach which documents in part the spirit of so many men who lost their lives at Normandy on D Day.
