

Mp3 Top 20 Independent Artists - Totally Independent: Top 20

[DOWNLOAD HERE](#)

Totally great, totally hot, totally independent 20 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock
Details: Since 1999, fifteen bands discovered by Evolution Artists have been signed by major labels, and one has already gone double platinum. Evolution Artists is dedicated to emerging artists. Our community of 400,000 listeners discovers the best new songs from over 85,000 emerging bands. CD and download proceeds are shared among the artists. Independent music is music made by musicians entirely on their own initiative just so you can listen to it. Evolution Artists proudly presents these tracks from the top of our charts. It's just a sampling of the many great artists in our community committed to creating totally great, totally hot, totally independent music. Listen as much as you want. We'll make more. Produced by the twenty great artists on this CD, our loyal Evolution Artists reviewers, the Evolution Artists crew. Recorded in Studios all over the world. Music Direction by Patrick Koppula Mastered using MusicMatch Jukebox Design by Michael Evans and Gina Tega
