

# Mp3 Bobby Radcliff - Natural Ball

[DOWNLOAD HERE](#)

It's a raw and nasty collection of crowd-pleasers set down on CD for the first time by Bobby with his tightest trio yet. If you're tired of over-produced records with too many overdubs and too many players, you'll want this blast of pure blues power. 14 MP3 Songs BLUES: Chicago Style, ROCK: Roots Rock  
Details: "Those of you who love Blues, guitar, powerful soulful vocals, a tight rhythm section, and the West Side Chicago sound that has inspired so many of the best Blues players, will be thrilled to know that Bobby Radcliff's got something hot and new for you." - Bob Margolin on BluesWax.com "Bobby Radcliff is electrifying. It's like he's plugged into an electric socket!" - Snooks Eaglin "His fingers are someday going to spontaneously burst into flames during a solo. If you don't agree that Bobby Radcliff is one of the greatest guitarists walking the earth today, then you're stupid. So there." - Andy Glass in "The Musicians Exchange"
