

Mp3 Cameron Mizell - Jazz: Acid Jazz

[DOWNLOAD HERE](#)

The debut album from Cameron Mizell. A mental blend of a classic funk horn section and the unmistakable imagination of Cameron Mizell's guitar. 12 MP3 Songs JAZZ: Acid Jazz, URBAN/R&B: Funk Details: 8 tracks of backbeat funk spit out by a sax-based, trumpet-fronted horn section thickly spiked atop a creative and tasty rhythm section; 4 tracks of controlled, exceptional and untreated jazz guitar trio - one CD. For a good sampling, dial up track 2, The bluesy "Allright" for a sip of the party flavor, calm down a bit with track 7, "Maintenance Man", and burn the rest off with track 11, "Saudade". For the real experience, though, forget the sampling and buy 3 CDs. Put the first in your car, the second in your stereo, and put the third in somebody else's stereo (they'll thank you). --Dave Hahn President, PreservationRecords.com Cameron Mizell, the St. Louis-born guitar player and band leader, studied music at the University of North Texas and Indiana University, and currently resides in Brooklyn, NY.
