Mp3 Flood - Garden Of Dreams

DOWNLOAD HERE

Garden of Dreams is a fine blend of folky pop rock. Ged's silky textured voice grabs you and takes you into your garden of dreams. 10 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: GED FLOOD - BIOGRAPHY Ged Flood is a singer/songwriter from Reading, England. He has written about 3 albums worth of material, some of which has been published and used in film television commercials worldwide. He has a talent for producing catchy songs with great hooks that reel you in and won't let go. Ged plays all the instruments on this demo album and is also responsible for recording, mixing and producing it, and all done in his dining room! He is planning to gig in small clubs in London over the next year but at the moment his main objective is to find the right record deal with the right record company. His influences include Neil Young, Cat Stevens, The Beatles, Crosby Stills and Nash, Chris Martin and many more. He has 3 publishing deals with Boosey Hawkes, The Decibel Collective, and DSM Producers. He has also written and played the guitar part on the new Fossil Watches commercial which is currently being shown worldwide on major television networks and in cinemas. Please take time to listen to this demo album. You won't be disappointed! Contact Ged on - TEL: +44 (0)20 8691 8667 - MOB: 07796 793571 - EMAIL: looper@supanet - WEBSITE: gedflood.com
