Original, fun songs for young children. 8 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Kid Friendly Details: Jeff Lillard: Kids Songs All original childrens songs. Hear the story of Freddy The French Fry and The Great Snail Race. Take an imaginary trip in The Boat Song or The Train Song. Top it off with The Big Party. Fun songs for young children. I wrote and produced these songs for my 3-year-old granddaughter. All are original compositions that mostly feature guitar, bass, drums and keyboards. Some songs are kinda silly, like The Tea Song, while others reflect the fun things that young kids like to do, like My Neighborhood. And it all culminates with The Big Party, a song that features orchestral instruments. Good, upbeat fun! My background: I am currently part of the Audio Team for the hugely popular game The Sims, and have been for the past 7 years. In my spare time I like to write music, and I have 2 other Jazz/Rock CDs currently available under the name nuCalee.
