This is a new R&B/Soul artist who sounds a little like IMx. If you like IMx or Brian Mcknight you'll find Krys to be exactly what you like. Krys'Style is something you have never heard before and you will love. 14 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: Soul Details: This is a mix between Pop/R&B/Soul. It is all combined into this one CD named Krys'Style. I just want everyone out there who likes these genres to at least check this out. I write about things that happen to real people and subjects that are down to earth. I'm just a 17 year old highschool student in Seattle, Washington. I'm graduating this year and going to the University of Arizona! I've been loving music since I was born. Music is my life. Ever since I heard "A Song For Mama," by Boyz II Men I have been singing. (Since I was 10) Everything I say in my songs comes straight from inside of me. I actually had to freestyle half of these songs because I had a broken hand for my first 7 songs. This whole process of getting a CD out there is the most exciting thing I've done with my life. I hope that doesn't make me sound like a boring person, I'm only seventeen, haha. Just check this out, and if you like it i'd appreciate if you support me by buying it. Thank you and I hope this is everything you've wanted to hear.
