

Mp3 Nerol Drehpehs - Curses From The Pond

[DOWNLOAD HERE](#)

It's like dark ambient dance with a twist of trip. 13 MP3 Songs ELECTRONIC: IDM, ELECTRONIC: Industrial Details: "Curses from the Pond" is another really great album by "Nerol Drehpehs." It goes from dark ambient, to some pretty good dance tracks, and just much dreamy, dark, apocalyptic, and trippy sounding sounds. as usual Drehpehs attempts to push the envelope of whatever is strange and weird, while at the same time trying to maintain a certain melodic sense of chaos and creativity. People who are interested in Skinny Puppy Coil should consider this download.
