Nevarakka is an energetic trance / dance band from Sweden that blends in great vocals and wonderful melodies. 13 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Pop Crossover Details: This is the debut album from a high-energy dance act from Sweden that combines pounding trance beats with soaring synth melodies and dreamy vocals. Most of the singing comes from a beautiful young woman named Zandra, but other guests pop up, including Casey (3PM) from the band Wideband Network, and there are some intense instrumentals thrown into the fray as well. The music of Nevarakka fits a new breed of melodic dance music, where synthpop melodies combine with modern trance.
