***** NICK DEMIO "Talent is given by a higher power. You have to understand that it comes through you, not from you. You're a passageway". Nicholas Hubbard aka Nick Fury bka Nick Demio (Doing Everything Money Involves Only) understand this statement cause he to is a passageway. Born August 6, Nick gave a new meaning to a star is born. Raised on the Notorious Northside Nick started crafting his style at an early age ,(age seven but whose counting anyway). His musical adventure lead him to learning to play the piano, which then lead to him writing compositions and R&B ballets. Nick's music career was almost over before it ever started... Growing up on the Northside of St. Louis Nick was presented with two options hustling or hustling. His love for money started Nick living the fast life - street life was all too real for young Nick. He was in the streets "grinding til his knees ached", but he knew the only thing that comes to sleeping men is dreams. So he decided to use his talent for more than just a hobby - he channeled his energy toward what would be his way out of the "Street Life". Nick started kicking up dust around the St. Louis area, doing shows anywhere a microphone was present. In 1999 Nick got the chance to open for Nelly and the St. Lunatics
