Details: Numac Muse: "Another Year" Hi. My name is Steve Mackall, co-founder of NuMac Muse along with long-time friend Danny Nucci. We've got lots of cool music projects we're excited to share with you but this one seems to be the most urgent if not necessary. Heres the story: Many of our returning veterans of war are in trouble. Weve learned from our friends at the American Red Cross that unless a returning vet is retired or career military they receive no on-going money from the government for their service. That is to say they just come home and try to pick up where they left off. Not so easy in this economy. Many of these brave men and women are finding themselves unable to pay their rent, utilities or even buy groceries, let alone put together a holiday for their kids. As Mary Ogle, CEO of the Tulsa Area Red Cross puts it there is a gray area where unless a soldier is active duty, retired or career there is no relief program in place. So our goal is this: With one 99 cent download at a time we want to raise as much money as possible and donate it to BILLS FOR GIS: a non-partisan/non-government project weve created in tandem with the American Red Cross to get actual cash into the hands of returning war veterans. Thats why were saying: 99 IS THE NEW 100: when you download ANOTHER YEAR for 99 cents (a dollar here, I know- sorry!) 100 percent of the proceeds go to BILLS FOR GIS who will stream-line it directly to returning veterans and their families. So thanks for giving this a read and the song a listen. Were proud to report that Another Year features the passionate vocals of our friend, Mark Campbell (Jack Mack and the Heart Attack) and the poignant yet powerful production of Stewart Levine (Simply Red/The Crusaders/Jamie Cullum). Also, be sure to check out the video we made for 'Another Year': [youtube.com/watch?v=ROeEfQez4I0](https://www.youtube.com/watch?v=ROeEfQez4I0) or just click

on youtube under Links to the left. We hope you dig the song and are moved enough to drop 99 cents (a dollar here, I know- sorry!) to help effect real change- literally and figuratively- for folks who seriously need it. Stay close and well see you soon! Love and Faith LAF! Steve Mackall NuMac Muse
