

Mp3 Perry Rotwein - Island Sounds

[DOWNLOAD HERE](#)

Island Sounds features extra long tracks of naturally recorded sounds of the ocean, and island birds, for relaxing, meditating, or sleeping. 6 MP3 Songs in this album (73:09) ! Related styles: NEW AGE: Relaxation, NEW AGE: Nature Details: This CD features all new sounds of the famous ocean beaches and birds of Block Island, a tiny island jewel on the East Coast of the United States, off the coast of Rhode Island. The tracks were recorded without interruption, mostly in the early dawn hours. The magical sounds of the ocean, birds, and early morning crickets will relax and soothe the soul, and the extra long tracks are perfect for relaxing, meditating, or sleeping.
