Ambient, electronic. soundscapes, film soundtrack chill music 12 MP3 Songs ELECTRONIC:

Soundscapes, NEW AGE: Healing Details: ALTERED VISION - Multi-instrumentalist Ray Regan creates evocative ambient groove soundscapes, conjuring far-off lands and paths less travelled. These slow tempo tracks create a space for meditation or dream travels. Liquid guitars, shimmering synths, vocal chants, sounds from nature, and didjeridu are just a few of the colors in this unique sound painting.
