

## Mp3 Shaelaurel - Daffodils

[DOWNLOAD HERE](#)

This fifth CD is an original blend of Celtic, bluegrass, and folk music with a pop edge and captivating originals 10 MP3 Songs POP: Folky Pop, COUNTRY: Modern Country Details: ShaeLaurel is a nationally-touring show band of folk, bluegrass and Celtic music. They have thrilled audiences across the United States for over five years appearing at theaters, festivals, fairs and theme parks. They also headlined a show on Norwegian Cruise Lines and at Busch Gardens and Hershey Park. Their high energy performance integrates traditional, contemporary and original music with a dynamic stage show featuring their own blend of traditional clogging and Irish Step dancing and show-stopping musicianship. They are a family, consisting of four kids ranging in age from 13 to 18 and their mother and father. Each member plays several instruments including Celtic harp, bodhran, fiddle, double bass, mandolin, banjo, guitar, drums and bagpipes. During their touring, ShaeLaurel has performed throughout the country and released five CDs in the past five years and continue to enjoy enthusiastic audience responses everywhere they play. With a core group of fans growing nationwide, the band continues its journey.
