

Mp3 Tom Finch Group - World: World Fusion

[DOWNLOAD HERE](#)

Funky World Rock, guitar driven tune base with a vocal focus. 6 MP3 Songs WORLD: World Fusion, ROCK: Jam-band Details: The Tom Finch Group plays original music blending many styles including reggae, hip-hop, world, jazz and funk. This bay area group is featured at festivals, clubs and events and has a loyal and wide reaching following. For over ten years, members have toured, recorded and performed around the world. They have received industry acclaim and are currently releasing material in THX Surround and will be distributed world-wide. Live shows attract dance audiences and offer an interactive experience. Featuring Tom Finch, J.J. (Jason Jones), Rob Fordyce, Marc Smith and Peter Penhallow, the groups compositions deliver infectious melodies, hypnotic grooves, inspiring lyrics, and fiery solos. Improvisation between players during shows provides unique and unduplicated performances on their familiar material. The fan base is a cross-cultural, multi-age collection, and support has been overwhelming! Please use the site and look, listen and explore. Enjoy!
