Amazing Easy-To-Use Software Instantly Generates Secure PayPal Buttons On The Fly... Right From Your DeskTop! Encrypt Your PayPal Buttons In A Single Click... Eliminating Digital Theft And Protecting Your Profits! No More Wasted Time Logging Into PayPal Just To Create Or Edit Your Buy Buttons! Did you know that the average cyber-thief can STEAL your digital products in LESS than 30 seconds? That means you could be LOSING money at this very moment! In case you're not already aware, there's a CRITICAL overlooked PayPal security hole which affords cyber-thieves the ability to download your digital product or access your members area. How? All someone has to do is look at your source code in order to view the redirect success URL address located in the PayPal buy button code. And once they've got that, they can simply go to that page and do whatever they want...for FREE! Click here to view the #1 method of how thieves can steal your digital products! Here are the shocking results of what cyber-thieves can get away with if you choose not to encrypt and secure your PayPal buttons: * bypass the payment process altogether! * alter or completely delete your sales code! * virtually swipe your profits right out from under your nose! * purchase your digital product or service for \$0.01! * access your membership area free of charge! * steal and distribute your product for free throughout the Internet * resell your product and enjoy YOUR profits! How much money do you want to lose simply because you haven't encrypted your PayPal source code and secured your download pages? Believe it or not, the reality is that sooner or later, your product will be accessed illegally unless you take preventive steps now! The good news is, you're only minutes away from locking your PayPal source code and protecting your profits once and for all! Introducing... PayLock Generator "Finally! Quality Software That Provides SO Much Convenience You'll Wonder How You Ever Got By Without It. PLUS You Get Premier Encryption That Will Stop Cyber-Thieves In Their Tracks!"
