Meet Jake Randall. Author. Divorcee. New to Los Angeles. Jake was about to begin a new life in the City of Angels. He was anxious to leave his troubles behind. Little did he know, his life was about to take an unexpected turn. Thirty-one years in the future, a resistance fighter makes his way through an abandoned industrial park in the Los Angeles Sector. His mission: create a portal to the past and locate the One who could deliver their message. Unbeknownst to Jake, a wormhole has been ported to his new home and a mechanized probe emerges from the rift to beckon him. In time, Jake uncovers this passageway and ends up in a vastly darker world than the one he left behind. Once in the future, his guide introduces Jake to a New World Order. On the surface, everyday life in 2040 appears orderly and harmonious. Just beneath this thin veil of utopia lies an evil empire bent on global domination. With every day that passes, Jake comes to realize his true purpose. In this new world, he becomes part of the underground resistance - one that is fighting for the truth.
