Did you know that you can find stained glass deals if you look hard enough? There are a number of places to buy stained glass lets look at a few of them. The easiest and least risky way to buy glass is in a kit. You can purchase kits online: simply search for stained glass kits and youll see dozens of online suppliers. Or you can buy kits at Michaels Arts and Crafts, Ben Franklin, or your local craft store. Many smaller craft stores may not stock kits, but they will...
