

# Future Of Your Only Child

[DOWNLOAD HERE](#)

With a distinctive focus on the long-term effects of being an only child, this book will help refine and improve daily parenting methods. It looks at attachment problems, conflicts between only child and parent, performance anxiety, high personal expectations, feelings of entitlement, dependence, and problems with risk-taking. EAN/ISBN : 9780230610910 Publisher(s): Palgrave Macmillan Format: ePub/PDF Author(s): Pickhardt, C.
