

In The Shadow Of My Country - Mbuh Tenu Mbuh

Growing up almost simultaneously with the independent Cameroon nation, it takes Tipoung'he a long time together with challenging experiences to realise that he has all along been living in the shadow of his country. His epic story is representative of the many whose untold stories are caught in the schematic confusion of independence, in which self-knowledge must rally back finally from the lethargic ideals of the Nation and the Patriot in a redeeming instance of identity. The story mirrors the growth of the hero as he gets used to his ever shifting environment. The complexity of experience, the burden of knowledge, and how to express these, confront Tipoung'he with prescriptive arrogance, and the more he gets entangled in the authoritative and patriotic mesh, the more he becomes aware of the need to withdraw from their osmotic consciousness. The moment of withdrawal, which coincides with self-knowledge, is a personal and symbolic rebirth
