Hard Rock feel pushed into an alternativ/Nu metal atmosphere for nothing like you've ever heard. 10 MP3 Songs METAL: Alternative Metal, METAL: Heavy Metal Details: A Torn Dilema has been shredding the Detroit scene with no remorse since their debut in January 2004. The band caught on quickly with their distinct, vulgar guitars, unreplicable bass riffs, and powerful drumming which is displayed with the cutting edge vocals. A Torn Dilema's influences range from but are not limited to: System of a Down, Disturbed, old Metallica, Pantera, and one fan even said "I love this song, it sounds like Godsmack but with more balls!" In August 2004 A Torn Dilema releases its debut album 'Tainted by Birth' an independent collection of mind wrenching songs that latch quickly. Requests for the release are being made continuously. Upon release, the band will do everything within its power to spread it across the country. The Band currently has played a number of venues in Detroit and will soon be spreading out regionally and nationally. Currently, A Torn Dilema is: John Budry (lead vocals, drums), Doug E. Bear (bass, vocals), Joel Donner (guitars, vocals). We're semi-normal people with un-normal mindsets creating an instution of psychotherapy for you to admit yourself to.
