Original folk/pop recordings done in an upbeat style with gentle melodic vocal harmonies backed by acoustic guitar and other instrumentation--reminiscent of Peter, Paul and Mary (minus Peter)singing songs of life, love and loss. 11 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: A TOUCH OF GRACE, the duo of Rich Rivers and Nancy McCreary, brings to life the folk/pop music composed by Rich over the last twenty five years. Rich's warm baritone voice in harmony with Nancy's elegant alto voice creates ATOG's textured blend of melody and lyric. A Little Light Music (2006) emphasizes the softer side of Rich's music, while ATOG's new CD, Seize The Day (2008), offers the listener a more up-tempo variety of folk/pop stylings Rich Bio: Growing up in the 1960s, I listened to the popular groups of the day - Elvis, the Beatles, Bob Dylan, the Rolling Stones. While I liked songs with a good beat, I was also captivated by certain "social consciousness" songs - for example, Barry McGuire's rendition of "Eve of Destruction," Bob Dylan's "Blowing in the Wind," and the Beatles' "Nowhere Man." In addition, I loved melodic love (and lost-love) songs such as Bob Lind's "Elusive Butterfly" and Peter Gordon's "I Go to Pieces." I see these multiple interests reflected in my music from the time I started writing songs in the mid-1970s. It has been an interesting musical journey, having periods of creativity, periods of drought, periods where life has pulled me away from music and periods when life has drawn me into music. Like with any journey, I occasionally look back just to see how far I have come. Nancy Bio: Trained in piano and voice, I have been involved in music virtually all of my life. I love the music of Peter Mayer and Josh Groban, and I still have a soft spot in my heart for John Denver and Peter, Paul and Mary. In addition, I adore Irish music. Most recently, I have fallen in love with Rich's music and am excited about being part of "A Touch of Grace" -- my first foray into live performance of original folk/pop music. Time to open some new doors! People who are interested in James Taylor Peter, Paul Mary Peter Mayer should consider
