

Mp3 Al Semas - A World Beyond

[DOWNLOAD HERE](#)

Soothing Melodies with a Classical Flavor from an up and coming artist that has been getting great reviews. 13 MP3 Songs CLASSICAL: Contemporary, NEW AGE: Ambient Details: At the early age of 4, Al began displaying his talent by playing the drums and piano. At age 7 he started private classical piano lessons. At 16, Al quit the lessons to go on and pursue other talents. Over the years he continued to write and play the piano off and on as a hobby. Recently Al has taken a more serious approach with his music in an effort to be recognized for his talent. Over the past few years he has opened his music up for review by professionals and has been greatly received as a talented writer and piano player. Al's online radio station has been a huge success. It was launched at the end of August 2006 and as of March 2007 it has gained over a Thousand fans and has been played by listeners over Twenty Six Thousand Hours all around the world. You may visit his station titled "Soothing Melodies" at Live365.com.
