Press release - Anaya music Anaya is an unique talented artist - Composer, performer, singer, producer, from Brasilia in Brazil, although she has an international profile. Ranking of TOP Selling and HOT PICK cds in the latin genre in the ex-mp3.com. This Cd UNPLUGGED is her first accoustic album and mainly based on guitar and voice. It includes also three songs done only with keyborads in order to listeners be able to see the accoustic and electronic together. Interviewing Anaya is like discovering a world of artistic curiosities of a professional musician that is also a dancer and an instrumental performer since 4 years old: an artistic premature genius with a sense of self-taught person, she is also educated in dance, singing, art painting, drama, and maily in guitar, Piano, and in computers. With a Post-Doctorate in Information technologies in the USA(Syracuse) and PhD in England. Anaya has been travelling all over the world and has been performing in international hotels the pop brazilian music. She has done 34th cd as an independent production that Anaya is very proud of. She is a virtual artist and promotes her musical work through an internet site, where she participates in chats and email with fans to communicate with her audience.

Member of Ascap(1998), Grammy Recording Academy(2004), Indexed by AllMediaGuide-AMG.
