this album is for real people, it's about the "win" not the glory. You will be moved.... 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Spiritual Rap Details: I am a hip-hop artist who is focused on lifting people through my music. With a unique sound, I drop a variety of styles as I deliver a positive message in each of my tracks. My goal is to help people understand to always keep it real and have a good time. What separates me from other artists is my ability to put your mind at ease in a smooth, subtle way. Sometimes you have to step out of the "box," and look at the big picture... The Unexpected, took me about 2 years to finish. I didn't know that I was making an album, I just wanted to make one song at a time, the very best that I could and "feel" what I was making. I have performed everywhere that I could get my hands on a mic, including a show in front of the Whitehouse. It's not about the Glory - It's about the Win!
