

Mp3 Chad Love - Speak No Evol

[DOWNLOAD HERE](#)

"Speak No Evol" is a sixty-five-minute mixture of catchy hip-hop hooks backed by solid poetry lyrics. Chad Love projects positive beats that flow into his disc-house tracks and are guaranteed to get any dance floor grinding across the nightclub circles wo 19 MP3 Songs HIP HOP/RAP: White-Boy Rap, ELECTRONIC: House Details: Chad Love is the next generation in the ever-growing hip-hop game. After years of researching and experiencing the music and the Industry, Love has launched a new and fresh style, hip-house, upon the music world. Chad Love does not restrict himself to a single technique when taking control of the microphone, he is a chameleon who has the ability to make you laugh, cry and be energized through his creative lyrics, unique personal style and positive beats. Do not be fooled by this 511 black hair, brown eye Pizza-Bagel. From the first time you hear him flow, you would never guess that he is an Italian-Jue, born and raised in an upper-class suburb of New York. Chad Love will take you on a unique journey so that you can better understand his creative visions. Loves mission is to break down the walls of segregation within the music industry. His quest is for the unstoppable Cross-Over, where all ethic backgrounds can take center stage in creating new visions, using past inspiration from the hip-hop world. Love quotes, Hip-Hop is not about color or the money you have, or dont have. Its about the story youre able to tell by twisting the reality into a fantasy world for your audience to both feel and understand. Love quotes, For you to get your work out to the public you need to be more than just a creative talent. You need experience from many facets of life, many careers with many different skills; a seasoned businessman, an experienced travel agent, an articulate negotiator, a creative art director, a savvy retailer or even a convincing salesman. What can I say I have all of the above and more. For further information on Chad Love, visit the website at chadlove.com.
