Sexy, Dangerous, and Fun Post-electroclash synthwave. 5 MP3 Songs ELECTRONIC: Pop Crossover, ROCK: Goth Details: Birthed as a side project by jam1sin of Le Mans (AKA LeMans Electro), Disco Related Injury borrows its name from the second Le Mans album and builds upon the dark city themes of that album (cdbaby.com/LeMans2). Cherry B. delivers the lead vocals this time and injects a heightened sense of sexy intrigue and foreboding consequence; like a 1988 black and white graphic novel heroine brought to life. Cherry also makes a special guest appearance on the Le Mans album THIRD DATE (cdbaby.com/LeMans3). Look for the Disco Related Injury EP entitled ENGLISH ROSE.
