

Mp3 Draz - Kensington Road

[DOWNLOAD HERE](#)

Adult melodic alt pop wrapping around emo and Brit pop, with distant echoes of smashing pumpkins and the smiths 6 MP3 Songs POP: British Pop, ROCK: Emo Details: Multi-instrumentalist, programming genius, cross-genre master, commercially viable image, streamlined songwriter. All of these songs have gone through his patented fast-track songwriting method for immediate consumption by the masses. Efficiently and effectively written, including the usual self-absorbed songs about coming to grips with love, sex, addiction, and waking up with a needle in his arm. Get ready and pack your things - you're about to embark on the magnificent aural journey that is draz. Yeah, right - Just a few songs from the good side of suburbia. Enjoy garageband.com/artist/draz
