[DOWNLOAD HERE](#)

Suoni di Venezia's (Sounds of Venice) is one hour of original restful soft melodies that will help you blow peacefully down the Grande Canalize or anywhere else you would like to be. 12 MP3 Songs NEW AGE: Ambient, EASY LISTENING: Downplay Music Suoni di Venezia Songs Details: Giovanni Andolina: Suoni di Venezia Suoni di Venezia's (Sounds of Venice) is one hour of original restful soft melodies that will help you blow peacefully down the Grande Canalize or anywhere else you would like to be. Andolina's warm and beautifully arranged compositions not only soothe the soul but also enlighten the heart. As one listener said, "Giovanni is able to take his reflections on life and transcend them into music that truly embraces your spirit." Suoni di Venezia has already sold over 1,000 copies. This album is very popular with massage therapists and people who are looking for ways to unwind after a long day. Giovanni Andolina was born and raised in Southern Italy. He attended the Conservatorio di Musica Statale "F. Cilea" and has performed his music for audiences in Italy, England and the United States.
