

Mp3 Jabberwock - Southland

[DOWNLOAD HERE](#)

90s alt-rock with a sophisticated approach to arrangement and harmony, produced by MICHAEL JAMES (Hole, Too Much Joy, Jane's Addiction, New Radicals) and WISHNEFSKY (Veneer, Incognito, Stephen Bock) 12 MP3 Songs ROCK: 90's Rock, ROCK: Modern Rock Details: "As angst-ridden, bleak, and dangerous as the L.A. landscape. The best band to come out of the Southland in years." BOB EZRIN, legendary producer (Pink Floyd The Wall, Lou Reed, Peter Gabriel, Alice Cooper) "A fatal attraction to the City of Angels, filtered through not-so-rose-colored glasses. Musically, this band has all the angst of alternative rock, but also has a far more sophisticated approach to arrangement and harmony." MICHAEL JAMES, producer (Hole, Too Much Joy, Janes Addiction, L7, New Radicals, founder of Alternator Records) The alternative rock band JABBERWOCK has a sound somewhat reminiscent of Radiohead, U2, Midnight Oil, and Julian Cope. The lyrics are influenced by Mark Eitzel, Elvis Costello, and Lou Reed. SOUTHLAND is JABBERWOCK's 1994 debut album. Resonant images of physical and psychological deterioration sing from this conceptual tour guide of post-modern Los Angeles. These excursions into the darker aspects of urban hysteria and suburban neurosis prove to be wickedly replete with powerful grooves, vibrant lyrics and melodic sensibilities. MICHAEL JAMES and WISHNEFSKY produced and mixed SOUTHLAND. JABBERWOCK broke up in 1997. Their other albums, LETTERBOMB and HER FAITHFUL BATTALIONS, may be heard at the Lost Dog Records website: LostDogRecordsCo.com. Coming soon - USE YOUR WORDS, the solo album from JABBERWOCK founding member WISHNEFSKY. See LostDogRecordsCo for more info.
