

Mp3 Jenna Bean Veatch - Jumping Bean

[DOWNLOAD HERE](#)

Clever, quirky little songs with heart and ukulele. 10 MP3 Songs in this album (35:19) ! Related styles:

COUNTRY: Americana, POP: Quirky People who are interested in The Magnetic Fields should consider

this download. Details: Jenna Bean Veatch has been accused of creating "pure, unadulterated,

heart-stopping whimsy. At various times, she has taken on the roles of dancer, choreographer,

performance artist, ukulele songstress, magical fairy, dancing doll, anti-war dance demonstration

organizer, and Marshmallow Peep. JUMPING BEAN, a collection of creative, quirky little songs with heart

and ukulele (not to mention the delightful and sometimes heartbreaking accompaniment from a host of

stellar musicians), represents the first official documentation of her foray into the world of music.
