

## Mp3 John Brady - Human Hands

[DOWNLOAD HERE](#)

Original Americana, heartfelt, it's about life and what's along the way. 14 MP3 Songs FOLK: Modern Folk, POP: Folky Pop Details: "Human Hands" is the most recent release by John Brady, a renowned writer, singer and guitarist from Western New York. John is a multiple music awards winner and member of the WNY Hall of Fame with Many recordings to his credit, notably the song "Hooked On You" on Albert Collins' grammy- nominated CD "Cold Snap". "Human Hands" features a great variety of originals and many terrific guest performances. The CD was recorded analog and digitally mixed and mastered. It was not electronically enhanced for pitch or time, and is as close to real as you wish to get. It's been noted for having a "real life quality, genuine, touching, well- produced and articulate". All this from real people! This cd features a variety of different songs, moods, sonic color, and is intended for listening, not background.
