This album is so smooth. If Sade were a man, this would be the result. The music has a soothing and inviting appeal to it that sounds like a combination of Babyface, Prince and Maxwell pulling out all the stops for that special woman. This is a Must Have. 10 MP3 Songs URBAN/R&B: Soul, JAZZ: Smooth Jazz Details: Kaid is back again with a sensuous new album that is sure to keep lovers around the world in the mood! With his exciting and romantic new album, Exotic Soul, Kaid has concocted a unique blend of R&B, Jazz and Funk all rolled into one! This album is the ultimate in Smooth and was created to take the listener on a journey of romance and passion. I strongly recommend this album for anybody that's ever been in love or wants to be! ENJOY!
