Details: Great "straight-ahead" jazz in the Blue Note label tradition. Features Larry Brown (piano), Hugh Johnson (bass), Jim Gaglione (drums), guest musician Bina Malhotra (vocals). Tunes from Bill Evans, Herbie Hancock, Miles Davis, Wayne Shorter, Larry Brown, Dave Brubeck, and Dave Frishberg. This is the JAZZ you love to hear! Washingtonian magazine says, Larry Brown is a pianist whose rendering of ballads is particularly moving. This CD has received airplay all over the country, as well as in Brazil and Russia. In 2002 Larry received WAMMY nominations (Washington Area Music Assoc) for Best Jazz Group, Best Jazz Instrumentalist, and The Long Goodbye (Lush Life Records) won the award for Best Jazz Recording. The Washington Post says of this CD, theres no mistaking the musics seductive allure. The Washington Post calls pianist Larry Brown an artist deserving of greater exposure. In 2000 Larry appeared on the national jazz cable channel BET On Jazz show Jazz Discovery where he won in the instrumentalist category. He has also appeared on their show Jazz Scene as a featured artist. In 2000 Larry received WAMMY nominations for Best Jazz Group, Best Jazz Instrumentalist, and Best Jazz Recording (Dryden Street Sessions). The Post says Brown evokes the master touch on this consistently entertaining collection of jazz trio performances. As an undergraduate at Towson University Larry studied with Stan Kentons favorite arranger/composer, Hank Levy. With a Bachelors Degree in Music Theory Larry attended graduate school at Catholic University, where he received his Master of Music degree after studying Composition and Electronic Music with the legendary Emerson Myers. A post be-bop jazz pianist, Larry lists his major influences as Bill Evans, Wynton Kelly, and Miles Davis. After graduate

school Larry toured with his trio Spice of Life, vocalist George Chapin, and other local bandleaders. In 1996 Larry joined James Bazens Music Unlimited Big Band. Having released three CDs of its own, that band enjoys a regular Tuesday night gig in the DC area. Please visit our website: larrybrownjazz.com
