"Martini-Pop"- music for when you've finally outgrown bubblegum. 9 MP3 Songs POP: Piano, FOLK: Modern Folk Details: "Leah Morgan's Zero Dollars Spent is a fantastic album that marks the coming of a singer/ songwriter with extraordinary potential." -Pablo Langhorne, Leftoffthedia.com "The girl is a hard core female rocker who has ventured far and wide to develop her own musical genre, yet seems to do so with splendor....a varied sound emerges gracefully throughout the album, yet with rock-n-roll force that demands attention and evokes dynamic emotions." -Kristen Pasculli, DiscoveringArtists "Local singer/songwriter Leah Morgan's debut CD, "Zero Dollars Spent," reveals a rich voice and music... Her voice alone makes her worth seeking out." -Jake Stephens, On Tap Magazine "Despite favorable comparisons, Leah is her own artist, and with the able backing of J. "Tom" Hnatow (lead guitar), Paul Frields (bass), and Rich Nagel (drums), the singer/guitarist/keyboardist seems poised to have us all singing her praises soon...She'll have you at the first note. -Dave Nuttycombe, Washington CityPaper
