Melodic, thought-provoking rock/synthpop (and profits go to charity) 11 MP3 Songs POP: New Wave, ROCK: Modern Rock Details: PROFITS FROM SALES OF THIS ALBUM GO TO HURRICANE RELIEF NOTE (Aug. 30, 2005): I normally donate all profits from sales of this CD to RAINN, the Rape, Abuse and Incest National Network (rainn.org). However, right now there is a cause I feel is more in need of financial help. The devastation from Hurricane Katrina is overwhelming in New Orleans and other areas along the Gulf Coast. Being a native of south Louisiana, this really hits home for me. Fortunately, my family, who still lives there, is OK. But many others have lost loved ones, homes, businesses, possessions. And I want to help these people. So until further notice, I will be donating 100 percent of the profits from sales of "Shooting the Decoy" (that includes CD sales through this site as well as digital downloads of my songs through iTunes and other digital music retailers) to the Red Cross hurricane relief fund. Most likely, I'll eventually go back to donating profits to RAINN, but for now, I want to do what I can for those left in need because of Hurricane Katrina. E-mail me if you have any questions. --Nathan
